

COMPASS MEDICAL RAISED FUNDS FOR THE AMERICAN HEART ASSOCIATION

*Participated for the First Time, as Team Compass, at the 2011 Boston Heart Walk on 9/10/11*

SEPTEMBER, 2011 – This fall, Compass Medical formed Team Compass to participate for the first time as an organization in the 2011 American Heart Association's Boston Heart Walk. The 1-, 2- or 6-mile walk started and ended at the DCR Hatch Shell on the Charles River Esplanade in Boston on Saturday September 10, 2011, and was host to an estimated 18,000 people from throughout Greater Boston.

Compass Medical would like to thank everyone, from the walkers to the donors, who helped support Team Compass at the 2011 Boston Heart Walk. This year we raised \$740 towards supporting the American Heart Association's clinical, educational, and research programs here in the Greater Boston area. Thank you all for your support of this wonderful cause! Team Compass was partially sponsored by the Compass Medical Cardiovascular Center, who contributed to t-shirts and transportation for team members.

Heart disease and stroke are the nation's number one and three killers. 1 in 3 Americans have some form of cardiovascular disease. Heart disease kills more women than all forms of cancer combined. Donation to the cause will immediately help save the lives of men, women and children who are affected by these diseases. Team Compass raised over \$750 to support the AHA's mission.

For more information about the event, or to make a donation to support the American Heart Association, visit our Heart Walk page at [www.compassmedical.net/heart-walk](http://www.compassmedical.net/heart-walk). Together, we can make a difference.

About Compass Medical, P.C.

*Compass Medical is a fully-integrated health care community that provides primary care, urgent care and specialty services for the entire family. Over the past 15 years Compass Medical has grown to become one of the top health care providers in the South Shore Area.*
