

COMPASS MEDICAL RAISING FUNDS FOR THE AMERICAN HEART ASSOCIATION

*Participating as Team Compass at the 2011 Boston Heart Walk on 9/10/11*

AUGUST, 2011 – Compass Medical has formed Team Compass to participate in the 2011 American Heart Association's Boston Heart Walk. The Boston Heart Walk is a non-competitive 1, 2 or 6 mile walk raising funds to support the American Heart Association's clinical, educational, and research programs here in the Greater Boston area. On average, 18,000 people from throughout Greater Boston participate each year. The 2011 Boston Heart Walk will take place on Saturday, September 10, 2011 at the DCR Hatch Shell on the Charles River Esplanade.

Heart disease and stroke are the nation's number one and three killers. 1 in 3 Americans have some form of cardiovascular disease. Heart disease kills more women than all forms of cancer combined. Donation to the cause will immediately help save the lives of men, women and children who are affected by these diseases. Team Compass has set a goal of raising \$1,000 by September 10, 2011 to support the AHA's mission.

For more information about the event, or to make a donation to support the American Heart Association, visit our Heart Walk page at [www.compassmedical.net/heart-walk](http://www.compassmedical.net/heart-walk). Together, we can make a difference.

About Compass Medical, P.C.

*Compass Medical is a fully-integrated health care community that provides primary care, urgent care and specialty services for the entire family. Over the past 15 years Compass Medical has grown to become one of the top health care providers in the South Shore Area.*
