GO TO THE EMERGENCY ROOM

Emergency Room co-pays can be very expensive and wait times can be extensive. Please use the Emergency Room only in case of a life-threatening emergency.

Getting the right care, in the right setting, at the right time is important. Visit Compass Medical's Urgent Care if your primary care physician is not available and you need quick medical attention for a non-life threatening injury or illness. We will work with your primary care physician to fulfill your healthcare needs.
